Step into this exceptional 4-bedroom, 3-bathroom, 2 guest cloakroom modern property which harmoniously blends comfort, style, and functionality, offering you a truly extraordinary living experience blended into the natural surroundings in an exclusive gated community in the South District that is ready to be appreciated by all your senses. As you walk into your new home, you have a direct view into the garden and the glimmering pool beckoning you in for a dip. The additional garden room (self contained 4th bedroom / office) features folding doors, ample storage, and a side kitchenette which totally creates a unique space to enjoy a day in the garden. Enter into an open plan living room with a bespoke kitchen, with views from all angles, allowing you to enjoy the surrounding serene views while you cook. The kitchen also features an instant boiling water tap, perfect for culinary enthusiasts like those who appreciate instantaneous tea. The open living room seamlessly flows into the kitchen, creating a harmonious space for entertaining and relaxation. Along with a wraparound balcony, the room offers a perfect blend of indoor-outdoor living in the lap of luxury. Continue this experience as you retreat upstairs and into the spacious terrace, perfect for hosting or unwinding under the sun. Featuring an electric motor blind, this outdoor space is open to you in rain or shine. Alternatively, create your unique space in the spacious basement. Featuring 2 rooms and a laundry room, let your imagination wander and create the perfect space for you. The master bedroom offers a sanctuary with its view of the natural milieu and pool, providing a serene escape within your own home. The adjoining en-suite is accentuated by the natural light pouring through the opaque window and his ...
